7/28 Hands-On Science	7/29 Environmental Education	7/30 Sports Clinic	7/31 Physical Wellness

Partners/Activities:

Sports Clinic with Mr. Rob- learn about various sports and how important skills learned in school transfer to the field.

Physical Wellness with Let's Dance Ebensburg- trained instructors guide students in health through movement with yoga, dance, Pilates and more.

Environmental Education with Indiana County Conservation District- do hands-on experiments and learn about the local environment.

Hands-On Science with Carnegie Museum of Natural History- learn about science and natural history via hands-on experiments and experiences.

*Important:

Activities will be outside as much as possible (weather permitting). Please make sure that your child is dressed in comfortable and appropriate clothing/footwear to be outside and to participate in physical activity (sneakers/tennis shoes are recommended). You may send a water bottle to camp with your child. You may want to apply sunscreen/bug spray before sending your child to camp. RSG staff will not apply sunscreen/bug spray to children. You may want to send a change of clothes with your child as we will not have access to the nurse's office. If your child needs an EpiPen in case of bee/food allergies, please send it in a plastic bag with a note permitting staff to use it in case of emergency. Staff do not distribute medication. Staff will provide basic First Aid and will contact emergency officials if necessary. Children not riding the bus must be signed in and out with an RSG staff member.
