***Calendar is subject to change**

Partners/activities descriptions:

Environmental Education with Indiana County Conservation District-

do hands-on experiments and learn about the local environment

Hands-On Science with Carnegie Museum of Natural History-

learn about science and natural history via hands-on experiments and experiences

Sports Clinic with Mr. Rob-

learn about various sports and how important skills learned in school transfer to the field

Physical Wellness with Let's Dance Ebensburg-

trained instructors guide students in health through movement with yoga, dance, Pilates and more

Nutrition with Adagio-

learn about healthy eating choices and sample some recipes

***NEW* Explore 4-H with Indiana County PennState Extension-**

STEM enrichment activities in a variety of topics with 4-H curriculum

***Activities will be outside as much as possible (weather permitting). Please make sure that your child is dressed in comfortable and appropriate clothing/footwear to be outside and to participate in physical activity (sneakers/tennis shoes are recommended).*
